The theme of the concert is 'Young people care about the community: we say no to gang fights, we say no to drugs, and just want to have fun!' It is a group of active young people who have organised the event and they have decided to hold a one minute silence during the show to pay respect to the 2 young boys who died in the recent gang fights.

Tickets are available to buy for Mrf 35 from Barcode, Time Zone, Dolphin, Baywatch and Duplicate.
